Dear Mr. Genung:

On behalf of Mr. Dulles, I wish to thank you for your recent letter setting forth your ideas for distributing information about young people in the United States.

Mr. Dulles' speech to the Veterans of Foreign Wars was concerned primarily with the need for education in this country about the evils of Communism. A program such as yours, emphasizing the benefits of democracy, could serve a valuable purpose, too.

We appreciate your thoughtfulness in bringing this to our attention.

Dear Mr. Genung:

On behalf of Mr. Dulles, I wish to
Thank you for your letter enclosing information about your
program for furnishing material about this country to young people
in other nations.

Mr. Dulles'
My speech to the Veterans of Foreign Wars focused largely on
the need for better education in this country on Communism. Such a
project need not in any way obviate the desirability of promoting a
wider understanding of democratic ideals.

Your thoughtfulness in bringing this to my attention is appreciated.

Sincerely,

Allen W. Dulles
Director

Dear Mr. Dulles : Does the following idea implement your suggestions for us in your VFW speech approved 8/27/60? ^{Approved 8/27/60} ^{Release 2002/08/21} ^{CIA-RDP80B01676R003600060030-6} to youth of other lands? If so, how may we make greater use of it? We are willing to do almost anything for it, because we believe the youth of the world will eventually, but soon, determine Y-O-U whether it shall be free or all-slave. Communists have a big jump on Democracy in their bid for minds of youth to mold to their kind "YEARBOOKS OFFER UNDERSTANDING" of world. Tho later than should be, may be time if we really set hearts, hands and minds to Democracy's gigantic task. (FILE THIS INFORMATION FOR FUTURE REFERENCE) Average of 10 year-books from 1/3 public HS could bring new or better ideas of Democracy to millions of youth in other lands.

"WHAT CAN I DO?" We have been trying to get adults to see the great potential which lies in this medium, which to para-phrase Lincoln, is 'of youth by youth and for youth.'

A Minneapolis businessman, Mr. H. S. Genung, who is concerned over the lack of understanding of American life and ideals in foreign countries, has created a worldwide information service on America through the distribution of high school yearbooks. Mr. Genung finds that these unique publications - of, by and for our youth - provide an excellent medium for promoting friendship, goodwill and understanding. High school yearbooks are obviously not prepared for any specific propaganda purpose, yet reflect informally, but accurately, the life of the coming generation. A high school yearbook, especially from a typical Northern urban community, usually presents a student body composed of different racial backgrounds, which at once counters the bad publicity of Little Rock, Montgomery, etc. Mr. Genung's program is called Y-O-U --

We have been trying to get adults to see the great potential which lies in this medium, which to para-phrase Lincoln, is 'of youth by youth and for youth.'

Literally, chance 'to lift selves by own bootstraps.'

American students in many schools cooperate in providing extra yearbooks to be sent to schools, libraries and youth centers in many lands. How about the students in your community?

Recent activities of youth in other lands do not leave much doubt as to their interest in matters relating to their countries, and their interest in their future, whether for good or for ill, neither is there much doubt about the effectiveness of their activities in accomplishing their purpose, whether for good or ill. Have we been as active or as astute in providing the arguments for Democracy as has been our opposition? In many other lands youth are weighing the benefits of Democracy against Communism. Have we provided them with materials to influence guided, sane choice? We have no other medium which anywhere near equals the high school yearbook. Y-O-U-T-H can also spell "Year-books Offer Understanding Then Hope."

- Aug. 10 NEXT WEEK "ON TARGET" by our expert pistol shooting ROBERT A. MC NEILL and his interesting experience in performing real "LION" service in establishing Pistol and Rifle Shooting Clubs for young people, that all you Lion Ranch Hands will want to hear. BOB is to be congratulated on his excellent work....Be sure to come.
- Aug. 3 Mr. Arsham Ohanessian had everyone hanging on his every word with his talk about the Middle East. His approach was refreshing....interesting and full of valuable facts, and a fine contribution to the education we all need for better understanding with the people of this part of the world. Let's hope that we can hear him again.

VOTED TO MEMBERSHIP: GEORGE W. PETRI, Age 34, Personnel Manager, J. C. Penney Co., Classif. Department Store, Sponsor RALPH EMERSON.

DON HAMILTON reports that 21 fellows went out on the Bus Trip to Camp Na-Wa-Kwa, and they had a real good time. Had an early dinner at Camp and got back at the Normandy Hotel by 8:30 P. M. They inspected the New Cabins that had been built and the 3 cabins remodelled so as to make room for a counsellor. Saw a lot of happy children and felt the trip was very rewarding. It is a well managed Camp and does a lot of good for these children, who would not otherwise have a camping experience. Happy to have with us TY ABEL, District Governor, FRED HANVEY, Hopkins Lions Club and A. P. GRUMAN, Mpls. North Lions Club.

S W E E P I N G S

Table 2 had TOM, DICK and HARRY....You can encounter most anything at our meetings....with TOM HOLEN, DICK JOHNSON and HARRY GENUING.

We are sorry to report that Lion SAM ABRAMS is having a rough time after his heart attack. He can see visitors, so call his home for a convenient visiting hour, or send him a card.

Understand on the trip to Camp CRINK played Bridge with ARNE LARSON as his partner, bid 7 -- No Trump and made it. There surely must be something in this for the Welfare Fund. (With a hot game going, they were at camp before they knew it.)

CHUCK MOOERS had to make a mad dash for the Bus, as it got away before he was on it. Caught up with it though in about 5 blocks.

Lion V. P. RALPH EMERSON has already obtained the piano for GIEN LAKE. That was most prompt and efficient action RALPH! And we know the boys at the lake will appreciate the addition.

The Mustache is gone at Table X. Says he can't stand the blending of age and dignity. What a dilemma!!

There are very few bachelors left in our group, but the following short shorts may edify them, and also there are a couple for us old married ones. Bride on evening of wedding: "I'll be a good wife to you, but don't expect me to cook, sew, keep house or save money."

All it takes to separate the men from the boys is girls.

It's a great life if you weaken enough to enjoy it.

Middle age is that time of life when your thoughts turn from passion to pension.

Plastic surgeons can do almost anything with a nose except keep it out of other people's business.

HARRY GENUING reports the Pakistan Embassy and Foreign Affairs Dept. of Denmark has asked for Year-Books. Y.O.U. is sending 4 to each country. These books will be distributed to School Libraries or other centers by Lions Clubs.

We are pleased to report Lion DARRELL acting as T.T. collected \$5.45 and JACK turned in 305 pennies, plus \$16.00 for Cigars, which MAC TAYLOR so kindly donated to commemorate the birth of his fine son. Thanks to all for their efforts.

Lion PING is vacationing in Montana on a visit to his wife's folks. Hope they don't work him too hard out there. IT'S GREAT TO BE A LION!!

Aug. 3 Arsham Ohanessian, Industrial Consultant, on "The Economics of Political Upheavals", or just how far reaching is a riot on Main Street of the Middle East. Be there!

NEW MEMBER TO VOTE ON:

GEORGE W. PETRI, Age 34, Personnel Manager, J. C. Penney Company, Classif. Department Store, Sponsor RALPH A. EMERSON.

Aug. 3 Immediately after the meeting, as many members as possible should enjoy the trip to Camp NA-WA-KWA. Particularly, new members should be encouraged to go. An air-Conditioned Bus, completely equipped for both your comfort and your follies, will assure you of a fun-filled, relaxing trip. DON'T MISS THIS ONCE-A-YEAR TREAT!

July 27 We only wish that our attendance could have been 100% to hear the fine talk given by Rev. Henry M. Taxis on the very worthwhile work at Glen Lake to rebuild boys.

S W E E P I N G S

Good to see Lion ONAN THOMPSON back after many months of hard work with the 1960 Aquatennial. He reports the QUEENS' REVIEW LUNCHEON co-sponsored by LIONS CENTRAL was the most successful ever, and wants you to know of his appreciation to all the Lions.

Lion HARRY GENUNG reports: Do Lions Clubs around the world want Yearbooks? Osaka (Japan), Rotorua (N.Z.) Bagio (P.I.) New Delhi (India) did and Y.O.U. has sent them 25 or more. Also young Booklover's Club, Johannesburg (S.Africa) Sheng-TE Christian College, Chungli (Taiwan) and others have asked for them. Shortly 50 will have been sent.

And one thing more....what happened to those "hard" rolls that were supposed to have rolled our way? Maybe we should change our Lions song to "Can you hear those Lions roll?"

We hear MAC TAYLOR is the proud father of a son, born two weeks ago, and BOB GOSS has a new grand-child. Congratulations to Both! Any cigars?

A real pat on the back for our two dyed-in-the-wool Lions....GIEN and HARRY DYE, for the fine story on PAKO in the Greater Minneapolis Publication of the Minneapolis Chamber. It is good to read the details, since so often we forget the terrific accomplishments of this organization. It is also good to know that another member Lion TOM NEWMAN is helping in their continued growth.

WANT SOME FUN? GO ON THE BUS TRIP NEXT WEEK! (No charge for this. Let the office know if you can go. Not very many signed up as yet.)

Lion V. P. WALTER BURTON very deftly conducted the meeting for everyone's pleasure.

Lion MAYNARD SAXE reports seeing ex-member OZ BLACK in Denver last week, and OZ sends his greetings to all members. His health is good, family well and only slightly homesick for Minneapolis. We miss his excellent cartoons and it is good to know he is still exercising his talent.

WANT TO FEEL GOOD? Go on the Bus Trip Next Week! (Learn something about our major project....CAMP NA-WA-KWA. See the kids in action, go swimming or fishing yourself.) MAC TAYLOR will see that you get a good dinner, and BOB SCHAEFER says he will have you back in Minneapolis by 9:00 P. M.

Asst. T.T. TINY....filling in for vacationing JIM SMITH squeezed \$9.60 out of our reluctant members and Jr. T.T. Jack added 187 pennies.

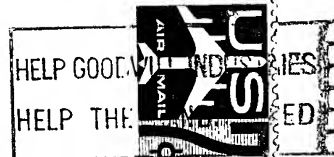

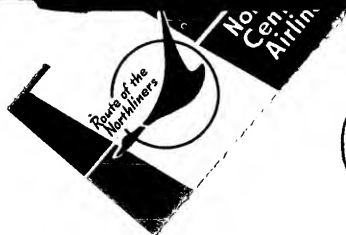

SAM ABRAMS daughter reports he suffered a heart attack in April, and has not been feeling too strong since. Send him a card....Let him know you miss him.

IT'S GREAT TO BE A LION! LET'S FILL THAT BUS NEXT WEEK!

Hon. Allen W. Dulles
Director, Central Intelligence Agency

Sept. 14, 1960.

Dear Sir:

The press reported you urged in a recent speech, a much larger teaching of the nature of communism, beginning in the secondary schools.

Mr. Dulles you are treading on most dangerous grounds. The communist have advocated the same thing for many years. They also suggest that communist be employed as teachers.

The writer believes you are trying to please the team of Rothschild-Rockefeller.

The Dulles family has done more harm to America than good. Mr. John Foster Dulles was pointed out by Mr. Rauch as being friendly to Alger Hiss back in August 31, 1955.

News item London dateline Jan. 11, 1960 (AP) British officials claim Sir Anthony Eden probably averted World War III by resisting a U. S. plan to intervene in the Indochinese civilwar six years ago. EDEN RESISTED CONSIDERABLE PRESSURE from the late John Foster Dulles who wanted to stiffen French resistance.

Moscow (UPI) May 26, 1959, First Vice Premier Anastas Mikoyan paid tribute to Dulles as a great statesman. He expressed the regret of the entire Soviet government at the death of the former U. S. Secretary of State.

Short while after Mr. Dulles became Secretary of State he permitted a lot of wish-wash pamphlets about the good features of the United Nations to be circulated from place to place.

I note you are a member of Rothschild-Rockefeller Council of foreign Relations. This really disqualify you to serve in the poor Peoples' government. It is impossible to serve two masters well.

Yours truly,

Mrs M. Gillon
